

Group Cancer Insurance— Initial Diagnosis of Cancer Rider

The diagnosis of internal cancer can be an upsetting time. You do not need to add financial worry to what is already a very difficult situation. When you add an Initial Diagnosis of Cancer rider to your group cancer insurance coverage, you add a little more financial protection at the point you or an insured family member is diagnosed with internal cancer—a time before many medical costs are incurred.

Rider Benefits

This rider pays a lump sum benefit for the initial diagnosis of internal (not skin) cancer. Use the benefit any way you choose, such as to help pay for deductibles and coinsurance on your major medical insurance or settle any outstanding debts.

Rider Features

- Guaranteed renewable as long as your cancer insurance policy is in force.
- Covers the same family members as your cancer insurance policy.
- Pays benefits regardless of any other insurance you have with other insurance companies.
- Pays benefits directly to you, unless you specify otherwise.

This rider has exclusions and limitations. For cost and complete details of the coverage, see your Colonial Life benefits counselor. Coverage may vary by state and may not be available in all states. Applicable to rider form R-GCAN-Indx (including state abbreviations where used - for example: R-GCAN-Indx-TX).
